

Kenton Area Spectator Location Directions

Please don't trust your GPS to get you correctly to the spectator point. These locations are in the middle of the woods. Your GPS will either want to take you down a Stage road, which disrupts everything, or down a road that is not there anymore. If you follow these directions you will get there.

Bring a flashlight; it gets dark in the woods.

From Kenton to Spectator Point A 5 & 7. (Far Point) (12.8 miles)

Stage 5 First Car Due 7:57pm

Stage 8 First Car Due 10:53pm

Location is a great 90-degree Right hand fast turn.
